

INTERIOR DESIGN

P O R T F O L I O

I N T E R I O R

NAME: NEHA CHOTALIA

RECENT PROJECT: INTERIOR DESIGN

LOCATION: RAJKOT

Interior design is a core part of an inside design studio because it shapes how people experience a space. It combines creativity with functionality to make interiors comfortable, efficient, and visually appealing. By focusing on layout, materials, lighting, and aesthetics, a design studio can transform empty or poorly planned spaces into environments that reflect purpose, brand, and lifestyle.

2026

Kitchen 2026

A modern kitchen design that blends style with functionality, featuring clean lines, smart storage, and efficient layout. Designed for everyday comfort, it creates a seamless balance between aesthetics and practicality.

2026

Living Room

A contemporary living room design that combines comfort and elegance, featuring soft lighting, neutral tones, and functional furniture. The space is thoughtfully arranged to create a warm, inviting atmosphere perfect for relaxation and social gatherings.

PROJECT

Gallery

A stylish balcony space designed for relaxation, featuring natural textures, cozy seating, and open city views. The design creates a calm outdoor retreat that blends comfort with a modern aesthetic.

PROJECT

A cozy kids' room designed for comfort and simplicity, featuring soft tones, functional furniture, and a clean layout. The space creates a calm and safe environment ideal for rest, play, and everyday activities.
